Radar Message Sign Estimates

03/31/15

City of White,

Attached are two estimates from M&T Fire in ^{White}Volga for radar message sign's. The one estimate is for two 18 inch sign's and the other is for two 15 inch sign's. These are solar powered signs and are identical to the ones in Volga and Aurora, which are the 18 inch signs.

There is grant money available thru the Office of Hwy Safety but it has to be applied for thru a Law Enforcement Agency and there is a cost share that I have broken down below. It would have to be ordered after January 1st, 2016 and the Sheriff's Office would have to pay for it and then the City of White would have to reimburse the Sheriff's Office for the share amount listed below.

15 inch sign. Total cost: \$9,240.00. Federal Share: 80% \$7,392.00. City Share: 20% \$1,848.00.

18 inch sign. Total cost: \$8,700.00. Federal Share: 80% \$6,960.00. City Share: 20% \$1,740.00.
