- **Teams must be registered by June 15th.**
- Individuals may still register day-of-event.

0900 to Noon – Puzzle Tournament at McKnight Hall

- TWO 90-minute Rounds will be played – If no team completes their puzzle, winner is determined by the fewest pieces left unintegrated to the puzzle.
- Score will be based on completion percentage of the 500-piece puzzle...
 - i. For example... If a team has 100 of 500 pieces left their score is 80%;
 - ii. Further example... If a team has 50 of 500 pieces left, their score is 90%...
- Each player less than 8 years old receives a 25-piece advantage in their team score if they do not “win” the round. *If the team had 50 pieces left, with a seven year-old on the team, they would be counted as 25/500 left = 95% for their score.*
